

Education Program Guide

This Education Program Guide (the “Guide”) is between BMC and Customer and is effective upon execution of an Order or SOW referencing this Guide. This Guide along with the terms and conditions of the applicable Order or SOW and either (i) the BMC Master Services Agreement (“MSA”) or (ii) the Additional Terms to: Services Order Form or Statement of Work (whichever may be the case) (the “Additional Terms”) shall govern the purchase and use of Learning Pass Credits and Education Services. Capitalized terms are defined in Section 12 of this Guide or in either the MSA or Additional Terms (as set forth in the applicable Order or SOW).

1. **SCOPE.**
 - 1.1. **Orders or SOWs.** LPCs are obtained solely by execution of an Order or SOW. In the event Customer proposes an Order or SOW by submitting a purchase order, then regardless of whether BMC acknowledges, accepts or fully or partially performs under such purchase order, **BMC OBJECTS** to any additional or different terms in the purchase order, other than those that establish price in accordance with the Agreement.
 - 1.2. **Learning Pass Credits.** Customer may use the LPCs to purchase Education Services and/or Education Materials offered by BMC or an authorized BMC education provider under the terms of the Agreement, this Guide and Order or SOW (if applicable). To redeem LPCs for the purchase of Education Services, Customer, based on the particular Education Service being purchased, shall either: (a) complete and execute an Order or SOW provided by BMC; or (b) utilize Customer’s BMC issued Keycode via BMC Academy. To redeem LPCs for the purchase of Education Materials, Customer shall complete and execute the Order or Education Materials SOW provided by BMC. BMC reserves the right to modify the list or pricing of available Education Services or the terms and conditions of this Guide at any time. When redeeming LPCs for Education Subscriptions, Customer’s Subscription period must begin before the LPC’s expire.
2. **PRODUCT RESTRICTIONS.** Any software products and related documentation and/or other confidential or proprietary information delivered to Customer in the course of providing Educational Services (“Products”) will be deemed included in the product licensed under, and shall be subject to all the terms and conditions of, the software license agreement (“SLA”) to which it relates, including without limitation the provisions concerning title and proprietary information. Neither the execution nor fulfillment of the applicable Order or SOW will relieve or alter BMC’s nor Customer’s obligations and responsibilities with respect to the affected products under the license terms set forth in the SLA.
3. **LEARNING PASS CREDIT CONSUMPTION.** BMC provides certain Education Services throughout the year. Customer may contact BMC for a schedule of Education Services, and LPCs may be redeemed for Education Services as published on the then current available schedule. BMC is not responsible for any changes to the schedule that may otherwise delay consumption of LPCs. LPCs may not be held for redemption towards Education Services released after the LPC Expiration Date. For any Education Services, LPC usage is determined by dividing the undiscounted price per LPC into the list price of such Education Services. When redeeming LPCs, Customer will be required to either (i) execute an order or SOW for all Education Services, or (ii) utilize its assigned Keycode for use with BMC Academy. The number of LPCs consumed will be based on the LPC fee as determined by the applicable Order or SOW or BMC Academy (as applicable). When using LPCs, no other Education Services discounts will apply. LPCs are to be used in the country of purchase. Use outside the country of purchase must be pre-approved by BMC. Should LPCs be approved for use outside the country of purchase, all pricing will be based on the country where the Education Services are purchased or attended. BMC will perform currency conversion where applicable based on the then current list price of the Education Services at time of either registration, order or invoicing depending upon the Education Service.
4. **LEARNING PASS CREDIT AUTHORIZATION.** (a) Authorization for Public Classes: BMC will issue a Keycode to the Customer Contact. Customer will use this Keycode to redeem LPCs when registering Customer’s Users in a class via BMC Academy. Customer is responsible for authorizing individuals to use the Keycode and for ensuring proper usage of the Keycode. BMC is not responsible for unauthorized use of the Keycode. (b) Authorization for any non-Public Classes Education Services: Customer shall accept in writing via an Order or SOW the redemption of LPCs for non-Public Classes Education Services. If the non-Public Classes Education Services are provided via BMC Academy, Customer shall redeem said LPCs by utilizing Customer’s BMC issued Keycode.

Customer’s LPC balance will be adjusted accordingly after each LPC redemption authorization.
5. **LPC EXPIRATION.** The “LPC Expiration Date”, which is the date by which all LPCs purchased under the applicable Order or SOW must be spent, is twelve (12) months from the Order or SOW signature date unless the Order or SOW states a specific “LPC Expiration Date”. Any portion of the LPCs not consumed prior to such date will be forfeited by Customer with no refund. Any Education Service associated with these LPCs must be utilized prior to the LPC Expiration Date. Utilization of LPCs requires that the Education Service associated with said utilization must have begun on or been completed before the LPC Expiration Date, except in the case where the Education Service provided is part of an Education Subscription that extends past the LPC Expiration Date. Education Subscriptions purchased before the LPC Expiration date will remain active for the duration defined by the Education Subscription Terms.
6. **EDUCATION SERVICES.** When Customer either redeems LPCs for Education Services, purchases Education Services directly through the execution of an Order or SOW or via BMC Academy, or obtains Education Services through the purchase of a BMC offering, this Guide, and specifically this Section 6, and the Agreement shall govern the applicable Education Services. In the event of any conflict between the terms of the Order or SOW, the Agreement, and this Guide, this Guide shall prevail, except for matters of service fees, payment and reimbursement of expense terms if further specified in the Order or SOW.
 - 6.1. **Education Services Fees.** The fees payable to BMC for Education Services (if any) shall either (i) be in the form of redeemable LPCs; and/or (ii) be paid in accordance with the Agreement.
 - 6.2. **Attendance.** Credits used for class attendance are based on the published duration of the class, not the days an individual student attends such class. For example, if a student attends only three (3) days of a published five (5) day class, they will be charged for all five (5) days.
 - a. **Cancellation Policy.** BMC reserves the right to cancel any Education Services class up to **10 business days** prior to the start of the Education Services class. If this occurs, Customer will receive (i) the LPCs redeemed for the canceled Education Services class returned to Customer’s account, and/or (ii) a full refund of any additional amounts paid to BMC (if any) for the specific Education Services class canceled, excluding any amounts paid for LPCs. To cancel or reschedule an Education Services class, BMC requires notice **at least 10 business days** prior to the Education Services class start date. If a cancellation or reschedule request is made less than 10 business days prior to the Education Services class start date, Customer will be subject to the full class fee. If Customer fails to attend an Education Services class it has registered for, Customer will be subject to the full class fee. If Customer registers for an Education Services class within the 10 business day period before the start of said Education Services class this cancellation policy will not apply and Customer will be subject to the full class fee regardless of attendance. If Customer registers for an instructor-led class using a Subscription, Customer is required to provide BMC notice **at least 10 business days** prior to the Education Services class start date to cancel registration. If a subscription Customer cancels or reschedules a registration less than 10 business days prior to the Education Services class start date, BMC will not allow Customer to register again for the same Education Services class using the Subscription. If Customer fails to attend an Education Services class it has registered for using a Subscription, BMC will not allow Customer to register again for the same Education Services class using the Subscription. Notwithstanding the foregoing, Customer shall not be entitled to a refund for cancellation of an ASP or WBT course.
